# WELCOME TO THE FUTURE OF INSURANCE IN KINGDOM OF SAUDI ARABIA

A premier gathering of global leaders, innovators, regulators, and pioneers in the insurance and InsurTech space. GAIP - InsureTek Riyadh 2025 is a gateway to cutting-edge insights, networking, and collaboration tailored for the evolving landscape of Saudi Arabia. With a focus on vision-driven innovation and market transformation, this edition will serve as a bridge between traditional insurance models and modern InsurTech ecosystems.

# ABOUT GAIP & INSURETEK

Exploring the Role of GAIP and InsureTek in the InsurTech Landscape

## 01 OVERVIEW OF GAIP

GAIP, or Global Association of InsurTech Professionals, is an international professional association that aims to advance the InsurTech profession globally. Through its various chapters, GAIP serves as a platform for innovation and knowledge sharing among professionals in the industry.

## 02 INSURE TEK MIDDLE EAST CONFERENCE

InsureTek Middle East is recognized as the region's premier conference for the insurance and InsurTech sectors. The event gathers industry leaders to discuss pressing challenges and explore opportunities, fostering dialogue and collaboration among key stakeholders.

## 03 FOCUS ON EDUCATION & COLLABORATION

GAIP emphasizes the importance of education, research, and collaboration in the InsurTech field. By providing resources and networking opportunities, GAIP helps professionals stay informed about the latest trends and technologies shaping the industry.

# KEY OBJECTIVES OF THE PARTNERSHIP

Driving Innovation and Collaboration in Insurance

### → UNIFIED GLOBAL PLATFORM

The partnership aims to create a unified global platform by hosting joint events across various geographies. This initiative will enable insurance and InsurTech professionals to connect and collaborate on a global scale, fostering innovation and knowledge sharing.

### → HIGH-VALUE EVENTS

The partnership will organize a series of high-value events, including conferences, webinars, and workshops. These events are designed to drive meaningful innovation and facilitate industry transformation, providing participants with valuable insights and actionable strategies.

### → EXPANDED REACH

By leveraging GAIP's extensive global network and insureTek's established industry presence, the partnership will expand its reach. This collaboration will create unparalleled opportunities for networking and partnership development across different markets and sectors.

03

# EVENT HIGHLIGHTS

# 12<sup>TH</sup> EDITION OF GOLDEN SHIELD EXCELLENCE AWARDS 2025

Welcome to the 12th Edition of Golden Shield Excellence Awards

A celebration of excellence, innovation, and transformative leadership in the insurance and InsurTech sectors. Held in Riyadh as part of GAIP - InsureTek Saudi Arabia 2025, this prestigious ceremony will shine a spotlight on trailblazers redefining the future of insurance through bold strategies, cutting-edge technologies, and measurable impact. From established industry leaders to rising innovators, the Golden Shield Excellence Awards recognize those who are not just adapting to change but driving it.

01

## AWARD EVALUATION PROCESS

- All nominations are thoroughly reviewed by an independent jury panel comprising industry experts, regulators, and technology thought leaders.
- Evaluation is based on transparent criteria such as innovation, financial performance, strategic value, and long-term sustainability.
- Finalists are shortlisted through a comprehensive assessment of financial documentation, use cases, case studies, testimonials, and impact reports.
- In select cases, judges may conduct one-on-one interviews or additional due diligence for clarity and validation.

02

## JUDGING CRITERIA INCLUDES

- Demonstrated vision, originality, adaptability, and future-readiness
- Evidence of strategic alliances, technological investments, and market influence
- Ethical leadership, governance, and long-term value creation in the insurance space
- Measurable outcomes, proven success stories, and industry impact

03

## KEY AWARD CATEGORIES:

- Insurer of the Year
- Broker of the Year
- Digital insurer of the Year
- Emerging InsurTech Solution Provider
- Excellence in Customer Experience
- Outstanding Use of Technology in Insurance
- ESG Leadership & Sustainability in Insurance

04

## SUPPORTING PROJECTS & PERSONAL ACHIEVEMENTS:

- Groundbreaking projects demonstrating innovation, scalability, and relevance to market demands
- Leaders who have shown visionary thinking, empowered transformation, or overcome key market challenges
- Individual or team-based achievements that reflect exceptional contributions toward advancing the industry's future
