

GAIP – INSURETEK MUMBAI 2026

INTERNATIONAL INSURANCE CONFERENCE & GOLDEN SHIELD EXCELLENCE AWARDS

26TH AUGUST 2026 | MUMBAI

**DRIVING INNOVATION,
EMPOWERING INSURANCE**

INDIA

MUMBAI

WELCOME TO THE FUTURE OF INSURANCE IN INDIA

The global insurance industry is undergoing a profound transformation driven by emerging technologies, evolving customer expectations, regulatory modernization, and the rapid rise of digital ecosystems.

At the center of this transformation stands **India**—one of the world's fastest-growing insurance markets and a global hotspot for innovation, digital distribution, and financial inclusion.

GAIP – InsureTek Mumbai 2026 brings together global insurers, reinsurers, regulators,

technology pioneers, investors, and InsurTech innovators to explore how insurance can be reinvented for the next generation of markets.

Under the theme **Viksit Bharat 2047**

Insurance & InsurTech as Catalysts for India's \$10 Trillion Economy. The conference agenda is thoughtfully curated to align with India's long-term economic vision, bringing into focus the transformative role of insurance and InsurTech in enabling resilience, inclusion, and sustainable growth.

ABOUT GAIP & INSURETEK

Exploring the Role of GAIP and InsureTek in the InsurTech Landscape

01 Global Association of InsurTech Professionals (GAIP)

The Global Association of InsurTech Professionals (GAIP) is an international professional body dedicated to advancing the InsurTech ecosystem worldwide. GAIP connects industry leaders, innovators, researchers, and policymakers to accelerate digital transformation within the global insurance sector.

Through high Impact conferences, exclusive memberships, professional certification programs, global chapters, and research initiatives, GAIP offers a powerful platform for collaboration, learning, and industry advancement for

KNOWLEDGE EXCHANGE

INNOVATION ACCELERATION

GLOBAL NETWORKING

**PROFESSIONAL
DEVELOPMENT**

GAIP emphasizes the critical role of education, research, and collaboration in advancing the InsurTech ecosystem. By offering cutting-edge resources and networking opportunities, GAIP empowers professionals to stay informed about emerging trends, adopt innovative technologies, and drive the evolution of the insurance industry.

02 THE INSURETEK PLATFORM

InsureTek International Conference and Golden Shield Excellence Awards is a flagship global series, launched in **2018**, designed to unite the insurance and technology communities. **InsureTek Middle East** is recognized as the region's premier forum for the insurance and InsurTech sectors, bringing together industry leaders to discuss pressing challenges, explore opportunities, and foster collaboration among key stakeholders. This high-impact event serves as a global platform for examining the future of insurance and demonstrating how innovation can enhance resilience, efficiency, and customer experience.

Following successful editions across major global markets, **InsureTek now enters India**, marking a strategic expansion into the Indian insurance ecosystem.

KEY OBJECTIVES OF THE PARTNERSHIP

Driving Innovation and Collaboration in Insurance

→ UNIFIED GLOBAL PLATFORM

The partnership seeks to establish a unified global platform through joint events across multiple geographies. This initiative enables insurance and InsurTech professionals to connect, collaborate, and share knowledge on a global scale, fostering innovation across the industry.

→ EXPANDED REACH

By leveraging GAIP's extensive global network and InsureTek's established industry presence, the partnership will expand its reach, creating unparalleled opportunities for networking and collaboration across diverse markets and sectors.

→ HIGH-VALUE EVENTS

A series of high-impact events, including conferences, webinars, and workshops, will be organized to drive meaningful innovation, facilitate industry transformation, and provide participants with actionable insights and strategies.

EVENT VISION

GAIP – InsureTek India 2026 aims to establish a **GLOBAL DIALOGUE ON THE FUTURE OF INSURANCE INNOVATION IN EMERGING MARKETS.**

The conference will serve as a strategic platform to:

EXPLORE THE NEXT GENERATION OF INSURANCE TECHNOLOGIES

SHOWCASE CUTTING-EDGE INSURTECH SOLUTIONS

CONNECT INSURERS WITH GLOBAL TECHNOLOGY INNOVATORS

STRENGTHEN COLLABORATION BETWEEN REGULATORS AND INDUSTRY LEADERS

PROMOTE SUSTAINABLE AND INCLUSIVE INSURANCE SYSTEMS

Through these initiatives, the event will position **India as a leading force** in the **global InsurTech landscape.**

WHY MUMBAI?

Mumbai is widely recognized as the financial capital of India and the heart of the country's insurance and financial services industry.

Home to leading insurers, global financial institutions, regulators, and a rapidly growing technology ecosystem, Mumbai provides the ideal setting for an international insurance innovation summit.

KEY ADVANTAGES INCLUDE:

- Headquarters of major Indian insurance companies
- Strong presence of global financial institutions
- Rapidly growing InsurTech ecosystem
- Strategic gateway to India's expanding insurance market

Mumbai's dynamic financial environment makes it the perfect host city for **GAIP – InsureTek Mumbai 2026**.

DRIVING THEME OF THE CONFERENCE

Viksit Bharat 2047

Insurance & InsurTech as Catalysts for India's \$10 Trillion Economy

The conference agenda is thoughtfully curated to align with India's long-term economic vision, bringing into focus the transformative role of insurance and InsurTech in enabling resilience, inclusion, and sustainable growth.

KEY FOCUS AREAS

01 EXPANDING INSURANCE PENETRATION

Advancing financial inclusion by unlocking access to insurance across underserved and emerging segments.

02 DIGITAL TRANSFORMATION AT SCALE

Modernizing core systems and accelerating the shift towards agile, digital-first operating models.

03 AI, DATA & ADVANCED ANALYTICS

Leveraging intelligent technologies to enhance underwriting, claims efficiency, and risk assessment.

04 EMBEDDED & ECOSYSTEM-LED INSURANCE

Integrating insurance seamlessly into digital platforms and everyday consumer journeys.

05 CUSTOMER-CENTRIC INNOVATION

Reimagining experiences through personalization, speed, and trust-driven engagement.

06 RISK RESILIENCE & PROTECTION FRAMEWORKS

Strengthening the industry's role in safeguarding businesses and communities against evolving risks.

07 INSURTECH & STARTUP ENABLEMENT

Fostering innovation through collaboration between insurers, startups, and technology providers.

08 REGULATORY & POLICY EVOLUTION

Enabling progressive frameworks that balance innovation, growth, and consumer protection.

09 SUSTAINABILITY & CLIMATE RISK

Supporting India's sustainability goals through climate-conscious insurance solutions.

10 BUILDING A FUTURE-READY ECOSYSTEM

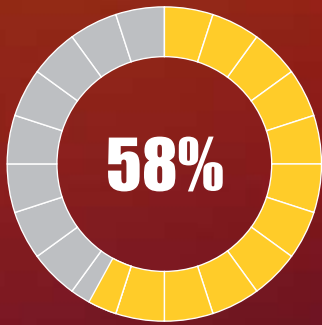

Driving partnerships and scalable models to support India's journey towards a \$10 trillion economy.
